In the event that a Participating UN Organization determines that an allegation in relation to the implementation of activities – including that corrupt, fraudulent, collusive or coercive practices may have taken place - is credible enough to warrant an investigation, it will promptly notify the Steering Committee and the Administrative Agent, to the extent that such notification does not jeopardize the conduct of the investigation. The allegation will be dealt with in accordance with the Participating UN Organization's accountability and oversight framework and by the Participating UN Organization's unit in charge of investigations. Upon completion of the investigation, the Participating UN Organization will inform the Steering Committee and the Administrative Agent about the results of the investigation.

8. As an exceptional measure, particularly during the start up phase of the Fund, subject to conformity with their financial regulations, rules and directives, Participating UN Organizations may elect to start implementation of programmatic activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation by the particular Participating UN Organization following receipt by the Administrative Agent of an official commitment form or signature of the Administrative Arrangements by donors contributing to the Fund. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.
